490 За Евангельскую веру

- Tidings of salvation bringing,
 Through the death on Calvary,
 For the souls of people caring
 We will gladly follow Thee.
- За Евангельскую веру,
 За Христа мы постоим;
 Следуя Его примеру,
 Все вперёд, вперёд за Ним.

As one fam'ly undivided,
As Thy people of destiny,
With our hearts by Thee united,
Jesus, we will follow Thee.

Припев

- Fiercely, on the battle rages;
 Hope grows dim—the end seems nigh;
 In the battle of the ages
 Help us keep Thy banner high.
- 2. Жарок бой и страшно пламя, И колеблются места; Подымите выше знамя Победителя Христа.

As one fam'ly undivided,
As Thy people of destiny,
With our hearts by Thee united,
Jesus, we will follow Thee.

Припев

- 3. In a world of cold indifference Many from Thee turn aside; Help us to reveal the difference, Live for Thee, what e'er betide.
- 3. В мире жизни равнодушной Наш Христос пренебрежён; Постоим единодушно За Его святой закон!

As one fam'ly undivided,
As Thy people of destiny,
With our hearts by Thee united,
Jesus, we will follow Thee.

Припев

- 4. "Fortress Faith," as Zion's daughter,
 Help us, Jesus, to protect;
 Help us give our foes no quarter,
 And all worldly lures reject.
- 4. Крепость веры, дщерь Сиона, Будем дружно защищать; И оружьем Гедеона Вражью силу отражать.

As one fam'ly undivided,
As Thy people of destiny,
With our hearts by Thee united,
Jesus, we will follow Thee.

Припев

- 5. Help us in our obligations
 To be faithful to the end,
 That the bound'ries of Thy Kingdom
 By Thy pow'r we may extend.
- 5. Подвиг правды, труд суровый Будем смело совершать И шатры любви Христовой Будем в мире расширять.

As one fam'ly undivided,
As Thy people of destiny,
With our hearts by Thee united,
Jesus, we will follow Thee.
