519 Известна мне церковь

- There's a church in the valley
 by the wildwood,
 No lovelier spot in the dale;
 No place is so dear to my childhood
 As the little brown church in the vale.
- 1. Известна мне церковь живая, Где сердцу отрадно так быть; Христову любовь воспевая, В ней жажду Его я хвалить.

Come to the church in the wildwood, Oh, come to the church in the vale; No spot is so dear to my childhood As the little brown church in the vale.

Припев

- There close by the side of that loved one,
 To the trees where the wild flowers
 bloom;
 Where the farewell hymn will be chanted,
 I shall rest by her side in the tomb.
- 2. Известна ль вам церковь живая, К которой так сердце влечёт? Там к небу молитва святая Горячим потоком течёт.

Come to the church in the wildwood, Oh, come to the church in the vale; No spot is so dear to my childhood As the little brown church in the vale.

Припев

- 3. How sweet on a clear Sabbath morning, To list'n to the clear ringing bell; Its tones so sweetly are calling, Oh, come to the church in the vale.
- 3. О странник! ты знаешь, что миром От церкви той веет всегда; Никто там не чувствует сирым, Забытым себя никогда.

Come to the church in the wildwood, Oh, come to the church in the vale; No spot is so dear to my childhood As the little brown church in the vale.

Припев

- From the church in the valley
 by the wildwood,
 When day fades away into night,
 I would fain from this spot of my
 childhood,
 Wing my way to the mansions of light.
- 4. Ведь церковь есть неба предверье, В ней милости Божьей престол; Я был исцелён от неверья, Как в церковь Христову вошёл.

Come to the church in the wildwood, Oh, come to the church in the vale; No spot is so dear to my childhood As the little brown church in the vale.
