# 628 Я не стыжуся возвещать

- Alas! and did my Saviour bleed
   And did my Sovereign die?
   Would He devote that sacred head
   For sinners such as I?
- 1. Я не стыжуся возвещать Умершего Христа, Его веленья защищать И мощь Его креста.

At the cross, at the cross
where I first saw the light,
And the burden of my heart rolled away,
It was there by faith I received my sight,
And now I am happy all the day!

## Припев

- 2. Thy body slain, sweet Jesus, Thine—And bathed in its own blood—While the firm mark of wrath divine, His Soul in anguish stood.
- 2. Я не стыжусь провозглашать В Нём Бога Самого, Кто спас меня, дал благодать И Духа Своего.

At the cross, at the cross
where I first saw the light,
And the burden of my heart rolled away,
It was there by faith I received my sight,
And now I am happy all the day!

## Припев

- 3. Well might the sun in darkness hide And shut his glories in, When Christ, the mighty Maker died, For man the creature's sin.
- 3. Я в мире не стыжусь носить Бесчестье за Него; Моля незнающих простить, Я рад кресту Его.

At the cross, at the cross
where I first saw the light,
And the burden of my heart rolled away,
It was there by faith I received my sight,
And now I am happy all the day!

## Припев

- 4. Thus might I hide my blushing face While His dear cross appears, Dissolve my heart in thankfulness, And melt my eyes to tears.
- 4. Не даст Он постыдиться мне В надежде на Него, И не оставит на войне Меня Он одного.

At the cross, at the cross
where I first saw the light,
And the burden of my heart rolled away,
It was there by faith I received my sight,
And now I am happy all the day!

## Припев

- 5. But drops of grief can ne'er repay The debt of love I owe:
  Here, Lord, I give my self away 'Tis all that I can do.
- 5. Во всём, что мне Он обещал, Он твёрже, чем кремень; Он сбережёт по славный день, Что я Ему отдал.

At the cross, at the cross
where I first saw the light,
And the burden of my heart rolled away,
It was there by faith I received my sight,
And now I am happy all the day!
