685 Мы у берега земного

- On the shore of Jordan's river,
 In expectation we all stand.
 There by faith we see the shimmer
 Of our new and promised land.
- 1. Мы у берега земного. Там за бурною рекой Виден берег жизни новой, Жизни вечной и святой.

Let us live in expectation
Of that moment, when the Lord
Will receive us into His Kingdom,
As He promised in His Word.

Припев

- 2. Like the sun in radiant glory
 Glows the new Jerusalem;
 Songs of praises tell the story
 Of that precious, priceless gem.
- 2. В блеске солнца виден пышный И святой Иерусалим; Песни радости там слышны, Их язык неизъясним.

Let us live in expectation
Of that moment, when the Lord
Will receive us into His Kingdom,
As He promised in His Word.

Припев

- Many saints their race have finished, Crossed the Jordan with a prayer; And we, too, shall cross that river, Very soon we'll all be there.
- 3. Вот уж многие святые Перешли к тем берегам И грядут часы благие, Скоро мы все будем там.

Let us live in expectation
Of that moment, when the Lord
Will receive us into His Kingdom,
As He promised in His Word.

Припев

- 4. Shades of death engulf the river, But beyond its deathly throes Lies the kingdom of the blessed, And the end of all our woes.
- 4. Сумрак смерти над рекою, Но за далью непогод Царство вечного покоя И блаженства свет нас ждёт.

Let us live in expectation
Of that moment, when the Lord
Will receive us into His Kingdom,
As He promised in His Word.
