Укр-91 Недалеко, за рікою

- On the shore of Jordan's river,
 In expectation we all stand.
 There by faith we see the shimmer
 Of our new and promised land.
- Недалеко, за рікою Берег вічного життя.
 Ми ідем туди з хвалою До Спасителя Христа.

Let us live in expectation
Of that moment, when the Lord
Will receive us into His Kingdom,
As He promised in His Word.

Приспів

- 2. Like the sun in radiant glory
 Glows the new Jerusalem;
 Songs of praises tell the story
 Of that precious, priceless gem.
- За рікою сонце сяє, Там новий Єрусалим.
 Співи радісні лунають, Співи дивні, неземні.

Let us live in expectation
Of that moment, when the Lord
Will receive us into His Kingdom,
As He promised in His Word.

Приспів

- 3. Уже многії святії На той берег перейшли. Йдуть хвилини дорогії, — Кликнуть нас, щоб ми ішли.

Let us live in expectation
Of that moment, when the Lord
Will receive us into His Kingdom,
As He promised in His Word.

Приспів
